

# alaTest Media Information

## alaTest/Site Overview

alaTest is a free and independent product quality comparison engine created for consumers who look for simple and objective product information.

alaTest collects, structures and analyzes the review information from over 2,000 sources worldwide. The information is then presented on [our sites](#) (18 in total in 14 different languages).

That way, consumers that are considering a purchase, can find all necessary product quality information in one place, at the alaTest website.

alaTest offers you as an advertiser the opportunity to purchase advertising space and reach our users when they are making their purchasing decisions, across our sites and to our 5 million monthly users.

Do you want to partner with alaTest and get reviews on your website and raise conversion and get more loyal customers? [Contact us here](#)
